2012 FORMULA KART FLORIDA WINTER TOUR RACE PROGRAM

Calendar of Events | 2012

- Team FMS was formed in 2006 as the official team of Wisconsin based Franklin Motorsports, a division of Dream Works Karting Supply, LLC. Team principals Jamie Sieracki & Cale Wyse offer 35 plus combined years of karting experience. Both have experiences including competitive driving, tuning, driver coaching and race program management. Experience is key in operating a successful race program and their involvement has shown beneficial in various racing efforts. Working with a qualified group of individuals our resources and experience are shared directly with our team participants.

The 2012 Florida Winter Tour Formula Kart weekends are the first winter tour weekends scheduled since 2008. The Formula Kart Florida Winter Tour is a great place for off season karting and sharpening of skills for the big events of 2012. As most long distance events, the FK Florida Winter Tour events are contingent on enough participants to execute a race program. Categories in the FK weekends include Vortex TaG 60cc (8-12 years old), TaG Junior Leopard (12-15 years old), TaG Senior Leopard/Rotax (15 & up as well as select 125cc shifter classes. With the high level of competition and selected class offerings the Winter Tour is a great opportunity to tune up for the SKUSA Pro tour and SKUSA Super Nationals.

Florida Winter Tour Tentative Dates

- January 6-8 West Palm Beach, FL
- February 10-13 Homestead, FL
- March 9-11 Ocala, FL

Scheduled dates & venues subject to change

- The goal of Team FMS is to provide a professional environment for participating members. Transport & pitting is arranged for all the drivers involved with the Team FMS FK Florida Winter Tour program. Pit spots are secured as well as professional team tents set-up for event duration. The amenities for the 2012 program will include an individual work space as well as required equipment to assist in tuning. All events will have a Team FMS staff member dedicated to group help. The staff member is responsible for assisting all members in tuning and coaching as well as mechanical support when needed. Tent spots are limited and will be available on a first come first serve basis.
- Pricing for the 2012 FK Florida Winter Tour Transport, Tent & Support Program is \$1385.00 per event. (Based off of 4 participants) 3 race series commitment is required.

Equipment rental is available for turn-key packages as well as engine only rentals. Please contact us for rental options and information. Mechanics and tuners are also available if needed. Fees are due 1 week prior to event. Late payments will incur a \$25.00 processing fee.
