## 2012 WKA MANUFACTURER'S CUP TENT PROGRAM

Calendar of Events | 2012

- Team FMS was formed in 2006 as the official team of Wisconsin based Franklin Motorsports, a division of Dream Works Karting Supply, LLC. Team principals Jamie Sieracki & Cale Wyse offer 35 plus combined years of karting experience. Both have experiences including competitive driving, tuning, driver coaching and race program management. Experience is key in operating a successful race program and their involvement has shown beneficial in various racing efforts. Working with a qualified group of individuals our resources and experience are shared directly with our team participants.

The 2012 WKA Manufacturer's Cup championship season starts in Daytona, FL. The Manufacturer's Cup series is WKA's highest level of sprint karting competition. Formed in 1971, the World Karting Association is a membership owned non-profit organization. With over 9,000 active members and 120 sanctioned tracks, WKA is the largest sanctioning body of karting in the US and one of the largest in the world. The Manufacturer's Cup series is a multi race series that covers tracks primarily in the Eastern US. Traveling from Florida to Indiana, South Carolina, Pennsylvania and beyond the 2012 season brings a series of six tracks for top level competition.

- The goal of Team FMS is to provide a professional environment for members. Pitting is arranged for all the drivers involved with the Team FMS program. Pit spots are secured as well as professional team tents set-up for event duration. The amenities for the 2012 program will include an individual work space as well as required equipment to assist in tuning. All events will have Team FMS staff members dedicated to group help. The staff members are responsible for assisting all members in tuning and coaching as well as mechanical support when needed. Tent spots are limited and will be available on a first come first serve basis.
- Pricing for the 2012 WKA Manufacturer's Cup Tent Program is \$525.00 Per Event
