2012 ROUTE 66 KART RACING SERIES

Calendar of Events | 2012

- Team FMS was formed in 2006 as the official team of Wisconsin based Franklin Motorsports, a division of Dream Works Karting Supply, LLC. Team principals Jamie Sieracki & Cale Wyse offer 35 plus combined years of karting experience. Both have experiences including competitive driving, tuning, driver coaching and race program management. Experience is key in operating a successful race program and their involvement has shown beneficial in various racing efforts. Working with a qualified group of individuals our resources and experience are shared directly with our team participants.

The 2012 Route 66 Kart Racing Series starts in Springfield, IL the final weekend of April. Route 66 has rapidly grown in the last several years. A popular series boasting solid entries and a season end banquet that gives back to the racers has made Route 66 Kart Racing a top series in the Midwest region.
